**Northern India Science Drama Contest 2019-20**

**RULES AND REGULATIONS**

The Northern India Science Drama Contest is organized every year by National Science Centre, Delhi to encourage the students, teachers and other science communicators to explore and experiment with the dramatic form as a means of communication. This event is a part of National Science Drama Festival organized by National Council of Science Museums throughout the country every year. Theatre or drama is an age old cultural form of our society, which has been used for entertainment, recreation and also as a medium of social interaction (i.e. to put across the social message). In other words, correcting the society in an indirect way, thus bringing a social change. By understanding the effectiveness of this medium and also to involve more youngsters to participate in this creative medium, an attempt is made to organize a science drama festival. Initially this will be held in the Taluk, District, State, Zonal level and eventually at the National Level. This is an opportunity to bring the students of different states, languages and culture to interact, exchange and explore this medium of education - THEATRE.
