Subject:- Regarding Police verification of Drivers/ Helpers of Vehicles ferrying children to schools.

Sir,

In light of the various incidents of abuse of school-going children on the way to and back from schools, it has become necessary that all possible steps are taken to ensure safety of school children in their journey to and from the school. An important step in this regard would be to have police verification carried out in respect of Drivers and Helpers etc. of Bus/Van/Auto- Riksha ferrying school children.

In this context, you are therefore requested to ensure that staff are engaged for ferrying school-children only after police verification of their character and antecedents is completed. More over with the passage of time, a person may be affected by many psycho-social factors in his immediate or distant environment. It would therefore be desirable that the police verification is repeated after every two years, so as to ensure continued safety of the children in their journey to and from the school.

All the Private institutions management are directed to comply above these instructions are stringent action be taken against the school authorities in case of any violation/lapse with regard to the safety and well being of school children.

Dy. Director of Elementary Education,
Kangra at Dharmshala.
