**Subject: Verification process at school level for 'Free Textbook Delivery' through MDM-ARMS Portal**

Sir,

The Department of Elementary Education is on track for delivering textbooks on time for third year in a row. To verify and make sure that each and every school and student studying in Class I-X across the state has received textbooks, a verification process has been started for winter-closing schools. The Directorate will take immediate action on the responses.

Teachers who are registered users of the Mid Day Meal-ARMS can report if textbooks have been received by schools or not. The user will have to send an SMS to 15544 between 23rd February to 31st March in the following format.

1. SMS Format if textbooks **have been received**:

**MDM T Y** (for single school mapped) or **MDM T Y D1** (for multiple schools mapped)

2. SMS Format if textbooks **have not been received**:

**MDM T N** (for single school mapped) or **MDM T N D1** (for multiple schools mapped)

Please treat this matter as urgent and give personal attention to ensure this message is communicated to all block officials and teachers in winter-closing schools of your district.

Endst. No. EDN-KGR-(E-7)-F.T.B./2019-20

-13884-85

Yours Faithfully

(Rohit Jamwal, HPAS)
