About Children Science Congress

Children's Science Congress (CSC) is a nationwide Science Communication programme started in the year 1993. It is a programme of National Council for Science and Technology Communication (NCSTC), Department of Science and Technology, New Delhi at National Level and Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE) at State Level. It is a forum for the children of the age-group of 10-17 years, both from formal school system as well as from out of school, to exhibit their creativity and innovativeness and more particularly their ability to solve a societal problem experienced locally using by method of science.

Online Registration Starts from 25th July 2019
