- **Sample Survey Report of "Har Ghar Pathshala"**
The key findings of the Sample Survey Report of "Har Ghar Pathshala" (HGP) were shared. The need for more frequent interaction with teachers was felt to know about the adequate teaching practices opted by the teachers or not. It was decided that all the Directors, Deputy Directors, BEEOs and CHTs and nominated officers will make follow-up calls with the teachers (10 minimum) every day to:

- G.P.
- Spang
Kish
24/8

Directors (Higher, & Elementary Education) to nominate one officer from the respective Directorate for each district for the same purpose. All Deputy Directors, DPOs, BEEOs, CHTs and nominated officers will maintain a record of teachers they contacted on daily bases, as follows:

S. No.	Date	Name of Teacher	Designation	School Name	Teacher knows about the e-content of the day (Yes/No)	If mention reason	No. Action taken	If yes, % of syllabus covered
--------	------	-----------------	-------------	-------------	---	-------------------	------------------	-------------------------------

Samagra Shiksha to provide contact numbers of teachers to DHE & DEE.

➤ **Monitoring of Har Ghar Pathshala- online Program**

Har Ghar Pathshala program has been re-initiated in Himachal Pradesh to impart online education to all students. In this regard, all Deputy Directors should be directed to ensure effective participation of the teachers and students. It would be the responsibility of the subject/ class teacher to ensure the participation of students and enable them to continue their education through online/ offline medium. All Deputy Directors, BEEOs, CHTs and school heads to

- Ensure strict compliance by the teachers.
- Ensure all teachers have connected their students on class WhatsApp groups and no student of the school is deprived of studies.
- Daily monitor the user statistics in your district through the HGP dashboard.

➤ **WhatsApp Quiz Analysis**

The participation rate in weekly quizzes was found to be below expectations. It was pointed out that only 25% students appeared in WhatsApp based quiz. From nearly 3.5 L students reported to be connected on WhatsApp in elementary grades, weekly quizzes are completed by at max 75,000 students so far. Thus it was directed that all DDEEs should review the participation rate of students in their district in the online Har Ghar Pathshala Program and weekly quizzes, and ensure 100% participation in weekly quizzes. We all need to work together to make online education a success.

➤ **Preservance of Digital Initiatives: हर घर पाठशाला - हर द्वार शिक्षक**

Despite many concerted efforts by the department to address the online education challenges, in many places across the state, students are often missing from teacher-

taught related conversations. The use of educational technologies, including WhatsApp based educational support, is simply not effective on a large scale if queries are not addressed by face to face teacher and students interactions. A campaign named दूर घर पाठशाला - हर द्वार शिक्षक to be implemented where students are not connected virtually. Under this initiative:

- Teacher has to segregate 8-10 students into small groups based on common locality (the number can be varied).
- Create roster time-table based on the student number, locations to be visited.
- Choose a central point as the location of learning.
- Teacher to strictly follow all the guidelines of social distancing while teaching.
- Teachers to share the plan of Action with Parents.
- Teacher is expected to take min 2 hours of class which includes checking of previous home-work, doubts clearing & to give home-work for next week.

➤ Non Virtual Initiatives

• Peer Learning: आजो! साथी साथ पढ़ें

- Students having online connectivity can take the lead and invite 2-3 friends staying nearby without having such facility to participate in online learning maintaining social distancing. Under this initiative:
- Teacher has to identify such students and group them together.
- Teacher has to provide guidelines for social distancing while studying together.

• मिसड कॉल एक बार, शिक्षा पहुंचेगी घर द्वार

This initiative was discussed to connect simple phone user students. These students will make a missed call and teachers will call back to guide and support children's educational needs.

• कोरोना से जंग, डाक्टर के संग

Children who have not been able to connect with their teachers by any other means, in 'कोरोना से जंग, डाक्टर के संग' initiative, they can write all their academic doubts and questions on weekly basis to their teacher. The appropriate solution will be sent to the students through letter by the teacher. This will not violate the guidelines of the Corona pandemic and education will reach the children at their doorstep.
