Subject:- Strengthening of Eco-Club activities by undertaking Innovative Environmental Projects in the Eco club schools/colleges of H.P.

Madam/Sir,

With reference to HIMCOSTE letter no.STC/F(7)-10/12-EE-Vol-VII-1526 to 1537 dated 17.03.2021 on the subject cited above. To strengthen the activities of the Eco Clubs the HIMCOSTE has invited project proposals from the Eco Clubs to undertake different environmental activities. The objectives of the scheme are to strengthen the Eco Clubs and to sensitize children towards environmental related issues. The following are the thematic areas in which Eco Club of schools and colleges may send their proposals for financial assistance up to rupees twenty five thousands. The thematic area(s) under proposal are:

- 1 Rain water Harvesting (Roof top/ paved areas)
- 2 Development of herbal garden in school campus.
- 3 Demonstration of vermin-composting/ other techniques in schools & colleges.
- 4 Solid waste management (Waste to wealth concept).
- 5 Any other innovative concept for conservation & protection of environment.

In addition to these activities the school can also apply for the roof top solar energy plant by providing suitable data.

Interested Eco Clubs of Schools may submit their project proposals at the earliest.
