Subject:- **Popular Science Lecture Series**

Sir/Madam

Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE) is organizing a programme on 'Deadliest Human Viruses' on June 25-26, 2021 in collaboration with Pushpa Gujral Science City for the students (6th -12th Standard) and science teachers through online/ virtual mode. The link for joining the lectures would be provided separately.

So You are directed to nominate and ensure participation of four students, strictly on merit basis and one science teacher from your school.

Dy. Director Elementary Education
Kangra at Dharamshala
