Dated: 10-09-24

From: Member Secretary (EC)
Himachal Pradesh Council for Science, Technology & Environment,

To: The Deputy Director, Elementary Education
District All 12 districts Himachal Pradesh

Subject: Regarding Celebration of World Ozone Day 2024.
Theme: "Montreal Protocol: Advancing Climate Action".

Sir,

The United Nations General Assembly proclaims 16th September as the World Ozone Day commemorating the date on which Montreal Protocol on Substances that Deplete the Ozone Layer was signed in 1987. The theme for the celebration of World Ozone Day for the year 2024 is "Montreal Protocol: Advancing Climate Action".

India as Party to the Montreal Protocol since 1992, has been effectively implementing the Montreal Protocol and the Ozone Depleting Substances phase out Programme adhering to all its phase out schedules. Currently, the phase out of Hydrochlorofluorocarbons (HCFC) is being carried out as per the accelerated schedule set by the Montreal Protocol HCFC-22 and HCFC-123 being used in manufacturing of new Refrigeration and Airconditioning (RAC) and Fire extinguisher equipment be phased out by 31 December 2024, whereas the service sector activity will continue till 2030. India is also developing national strategy for the phase down of Hydrofluorocarbons (HFCs) under the Kigali Amendment.

HIMCOSTE celebrate Ozone Day every year through Eco-club schools of the State. This year also HIMCOSTE has proposed to organize the Ozone Day by raising awareness among the students, teachers & local people etc. about the protection of Ozone layer. You are requested to kindly direct the Eco-club schools of your district to organize the awareness activity like expert lectures, talks, rally, competition etc. on 16.09.2024 and submit the report through email: EEPHIMCOSTE@gmail.com.

Dy. Director
Elementary Education
