Application to Join the 3<sup>rd</sup> cohort of Satat Shikshak Samudaya (State wide community of Sustainability Educators) 2025.

Sir,

The Himachal Pradesh Council for Science, Technology & Environment (HIMCOSTE) in collaboration with Earth Just Ecosystems Foundation is implementing the Sustainability Education and Climate Action Program- "Satat Shikshak Samudaya successfully in the State to strengthen the Environment Education Program. The programme is envisaged on building a life-long Community of Sustainability Educators / सतत शिक्षक समुदाय - Satat / सतत with HIMCOSTE, who demystify the big words to make a sustainable transition out of textbooks into our schools & our community to produce Sustainable Citizens. This community will help strengthen the NGC-Eco club program.

The objective of the programme is to "re-cultivate a culture of sustainability in Himachal & re-imagine environmental education" in other words give Himachal Sustainable Citizens who can make Himachal the most Sustainable State - Ecologically & Economically.

In this regard this year the 3<sup>rd</sup> cohort of Satat Shikshak Samudaya has been started, the steps to join the program are as follows:

- Step 1 — Apply for Samwaad: **Click Here to Register:** <https://sprw.io/stt-kDIAC> (Samwaad is a 2-Hour space of where we discuss the Joy in Sustainability, the power of educators as change-leaders and the program)
- Step 2 — Join our WhatsApp Group: <https://chat.whatsapp.com/CRblgl16tCtC8Hellqwiph>
- Step 3 — Get identified as that 1 Changemaker from your district who will become a part this year & go on a 4-stage journey with us Samwaad → Sanyukt → Saksham → Samudaya (~25 educators will become apart of this community in 2025)

The aforesaid programme's orientation will be online. Application open till 25<sup>th</sup> January 2025.

At Satat, it's all about Collaboration, not Competition!  
Work at Sawaym (Self) with your Samudaya (Community) to make a Samajik (Societal) Shift by bringing your HEAD, HEART & HANDS together.

Though this is **not mandatory** for all educators to participate in, we really want to see a big number from our district. We really look forward to having the **entire network of educators (teachers & professors)** join us on this Community Building Programme.
