To

All the Deputy Director of Elementary Education,  
Government of Himachal Pradesh.

**Subject: Compulsory student attendance recorded on e-Samwad application.**

Sir,

In continuation to this office letter No.EDN-ELE-H(7)A(7)-8/2020 (IT)-Misc. dated 05.11.2022 vide which all school heads were directed to record attendance of each student daily on the e-Samwad app. Only attendance digitally on the e-Samwad application will be considered official. The students' attendance will be tracked daily centrally.

Since the reopening of schools, it has been observed that the student's attendance and the schools uploading student attendance daily on the app has reduced despite the directions issued. In the month of February, compliance of marking attendance on e-Samwad app was observed to be only 49%. The respective information is to be shared with all the schools in the district and attendance compliance on the e-Samwad app must be 100% next week onwards. Daily attendance and compliance can be tracked using the following dashboard: <https://bit.ly/hpAttendanceDB>. You are directed to closely monitor the blocks and the school through monthly reviews, where students attendance and attendance compliance is below 50%. The district with less than 80% student's attendance and attendance compliance will have to submit an explanation for the low performance.

In case of network issues or technical difficulties, school heads are requested to note the attendance offline and upload it once the application works. In case of persistent issues, kindly send the screenshot to the respective Block Elementary Education Officer (BEEO).

Personal attention may be given in the matter and treated as most urgent.

Subject:

Improving reading abilities of students through NIPUN Abhyas

Sir,

This is to inform you that NIPUN Himachal program was launched in February, 2022 to achieve competence in Foundational Literacy & Numeracy for classes 1-3 students by 2024-25. Under the NIPUN Himachal program, Oral Reading & Fluency (ORF) is a key component to ascertain if a student is NIPUN or not. In line with the NIPUN Lakshyas, benchmarks have been set for Oral Reading & Fluency for all classes. In order to improve reading abilities, a Oral Reading and Fluency and numeracy practice tool "NIPUN Abhyas" has been launched on e-Samwad.

To improve student's performance on Oral Reading & Fluency and Numeracy, teachers must conduct monthly practice of each student in classes 1, 2 and 3 every month on NIPUN Abhyas module at least once.

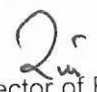

In order to train teachers on NIPUN Lakshya Abhyas module, block level orientations will be conducted from next week. Attendance of all BRCCs and BEOs and CHTs from the district is compulsory. Please find the schedule for orientation for each district attached in the Annexure-A.

Cluster Head Teachers must observe practice sessions of students in mentoring visits and train teachers on how to use the module. Please find the link to the tutorial here: [https://bit.ly/NIPUNAbhyas\\_tutorial](https://bit.ly/NIPUNAbhyas_tutorial). All block officials are requested to track compliance (% Monthly Active Users on NIPUN Lakshya Abhyas module) in Block Review Meetings using the dashboard: [https://bit.ly/NIPUNAbhyas\\_Compliance](https://bit.ly/NIPUNAbhyas_Compliance).

From March 2023 onwards, at least one practice session must be conducted every month on both Language and Numeracy for each students of Grades 1-3. It is advised to each schools to conduct practice sessions on NIPUN Lakshya Abhyas on Saturdays.

Personal attention may be given to the matter and treated as most urgent. The respective information is to be shared with all the primary schools in the district for the comprehensive adoption of the NIPUN Lakshya Abhyas module.

Yours faithfully,

  
Director of Elementary Education  
Himachal Pradesh
