The Road Safety Cell, Directorate of Transport is making its all over efforts to make Himachal Pradesh a safer for all road users by associating the all stakeholder departments. Also the road accident scenario in HP is being monitored regularly by the Hon'ble Supreme Court Committee and reports thereof are being sought from time to time.

The Education Department is one of the key stakeholders in the field of Road Safety. By making student aware road safety measures at an early age they will certainly emerge as responsible citizens and will contribute their best towards Road Safety in future.

You are, therefore requested to kindly direct your all the colleges & schools establishments (Government and Private) to aware the students, drivers, and concerned staff with regard to Dos + Don'ts and adhere to the instructions of above mentioned school vehicle safety guidelines in letter and spirit, so that any untoward incident in any style or manner could be avoided.
